

Exodus 32-40 Kids Pack

Auburn & Newington Anglican Churches
a special taste of heaven

Last week in Exodus 25-31, we saw how God wants to live with the people whom He had saved out of Egypt. So He gives specific instructions to Moses on the mountain of how Israel are to build this special tent where He can meet with the Israelites and be with them. His instructions lasted 6 chapters long. Will Israel do what God says? Will they build the special tent as God has told them to or will they just ignore him?

THE GOLDEN CALF

Exodus 32:1-35

Starting at #1,
connect the
dots to see
what the
Israelites
made from
gold.

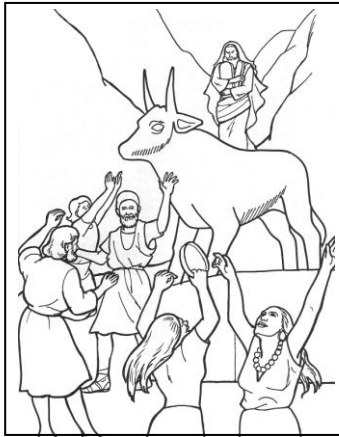

Moses went to the top of the mountain where God gave him the Ten Commandments. He was gone a long time and the people began to think that he was never coming back. They gave Aaron their gold jewelry and he built an idol for them to worship instead of God.

A SPECIAL REPORT ON EXODUS 32:1-35

THE GOLDEN CALF

Moses was up on the mountain speaking with the Lord for 40 days and 40 nights. The Israelites wanted a god to go before them, so they collected all their gold. They gave their gold to Aaron

and he made the gold into the shape of a calf.

The Lord told Moses to go down the mountain because the Israelites were not obeying. They had made an idol. One of the commandments was not to worship idols.

The Lord wanted to destroy, or kill, the Israelites, but Moses talked with the Lord. The Lord decided not to destroy the Israelites after all.

Moses went down the hill with the ten commandments written on two stone tablets. When Moses got to the foot of the mountain, he saw the people dancing and worshiping the golden calf. Moses got angry with the people and he threw down the stone tablets. They broke into pieces.

Moses destroyed the golden calf. Moses called out to the people, "Whoever is for the Lord, the God of Israel, follow me." Moses had these people kill the others who did not want to follow after the Lord.

To find out more, read Exodus 32:1-35 in your Bible.
