Exodus 7-10 Kids Pack

Auburn & Newington Anglican Churches
a special taste of heaven

So far in Exodus, we have seen God rescue Moses as a baby, from Pharaoh, the King of Egypt. Last week, we saw God preparing Moses to be the one to rescue God's people out of slavery in Egypt with his brother Aaron. God was doing this because of His promises to Abraham's family. Although they had become a great nation of people, they were stuck, far away from the land God had promised them. God was going to show some awesome power to save!

Watch: this week's livestream kids talk by Carol (one of our Auburn Kids Church teachers)!

Read the bible & discuss:

Older kids read Exodus 7-10

1. How many of the first 9 plagues can you remember?
2. Which do you think is the worst?
3. Why do you think Pharaoh continued to resist letting Moses and the Israelites go?
4. How do we see that God is still looking after his people?
5. What do you think it would take for Pharaoh to let them go?
6. Which is bigger: the Israelites rescue from Egypt or our rescue by Jesus?

Younger kids talk discussion questions

1. How does God show his power in this story?
2. Why does God do these things?
3. What do you think the Egyptians think of God?

God Can Do It!

The king would not listen to Moses. He did not believe that Moses was sent by God. God sent gnats and flies and locusts and other plagues to Egypt to make the king listen. Find God's message by coloring all the bugs that contain lower case letters, then copy the CAPITAL letters that are left to the spaces below.
